Highlights

Strength select function

Prepare your favorite cup of coffee by adjusting the strength and intensity of its taste. With the strength select function on your SENSEO®, you can choose between strong short and mild long coffee.

Compact and chic design

This ultra chic new coffee machine is the most compact model of the whole SENSEO® range and has been designed to perfectly fit into your kitchen space.

Immediate auto shut-off

Your SENSEO® coffee machine switches off automatically right after brewing, allowing you to save energy.

Direct start

The direct start function allows you to turn on your SENSEO® coffee machine and brew your coffee at only one touch of a button.

Variety of blends and flavors

SENSEO® offers you a large variety of coffee blends and flavors, each with its own distinctive taste to fit your personal preference.

Personal coffee memory

You can program the coffeemaker to brew the amount of coffee you prefer and adjust the coffee quantity up to 145ml. Feel free to experiment and see what you like best.
